

Friends of Patcham Junior School (FOPJS) Autumn News 2021

Our Goal – to raise funds the school's garden library project. Removing the music sheds and bringing music back into school. We have an ambitious target, and we hope to match the funding already saved by Mr Sutherland to make this happen. A fundraising thermometer will be visible in the playground very soon, so you can cheer us on and show your support to make this project happen for our children and future generations.
